Contact

All catering orders are handled through the restaurant – 215-230-9100. If we are unable to be reached, please leave a message indicating that you would like to place an order, and we will promptly get back to you.

Timing

A minimum of 48 hours notice is recommended for orders; however, this may not always be necessary.

Our chef's work very hard to ensure your order is prepared for the pick-up time you request. We appreciate if you honor the pickup time indicated when placing your order.

Preparation

If you choose to pick up your food hot, the prepared food should be served immediately.

*If you choose to pick up your food **cold**, it should be refrigerated immediately. With an oven heated to 350° F, any of our dishes should not take longer than 1 hour to reheat. However, all ovens can vary greatly. Be active and check your food regularly. Food should reach 165° F before serving.*

Salads should be dressed immediately before serving. This is the best method to keep the greens from wilting.
